### **Mission\* Mission**

Lycée Français is excited to host another fun year of Bonjour NOLA! We aim to provide an educational, fun-filled summer camp to bridge learning between school years for children in French immersion schools.

Children can look forward to exciting age appropriate activities, guided by French speaking instructors and counselors.

At Bonjour NOLA, we believe that summer should be a time for making new friends and building new skills. Campers get a head start on the next school year by doing so in French.

### **Points forts\* Highlights**

- Field trips (adapted for Pre-K)
- Water play every week
- Culinary projects
- Open house for families at the end of each camp session – this may include performances, presentations, and more depending on the group!
