Request for Proposal

Q & A Response

- A. Can you provide a copy of the current contract, to include all addendums, pricing pages and any other contractual updates?

[Link to contract](#)

- B. Can we be provided with copies of invoices from your current transportation provider for the 2017/18 school year to date?

[Link to invoices](#)

- C. Proposer Requirements, A. Personnel 1 – Are you requesting that we provide LFNO the names of our proposed drivers with our proposal response? We would not hire or recruit drivers until after awarded the contract?

**No, that information can be delivered at a later date**

- D. How many monitors are required?

**None currently. Is subject to change based on our future special needs.**

- E. Proposer Requirements, B. Equipment – The number of school buses required not specified on the pricing pages?

**It is not listed because we have no previous history to rely on. Registration numbers and the expertise of the selected transportation vendor will help define our needs.**

- F. Can we be provided with a current detailed fleet listing to include; manufacturer, model year, bus type, seating capacity, fuel type, equipped with a/c and number of wheelchair positions?

**The bus type is a 2015 Freightliner – Thomas C2 – 71 Passenger – 6.7L Cumm Engine. No a/c.**

- G. Fuel Costs - Will we be offered any type of fuel cost protection?

**Vendor will provide all fuel necessary to fulfill the operation of the agreement.**

- H. How many summer school routes operate? How many days? What are the route norms and mileage for each route?

**No summer routes.**

- I. Can we be provided with current driver and monitor wage and benefit information?

***Drivers starting salary is \$20.19. No monitors used this year.***

- J. Is the current provider short drivers currently? If yes, how many?

**No**

- K. Field/Athletics/Activity Trips – What was the total number of field/athletic/activity trips for the 2016-17 school year? Can we be provided with the total billable hours per trip and total mileage per trip?

**In previous years we've used multiple vendors at various prices. Please refer to our TOC / external class chart (Attachment -A) to gage volume related to FT's.**

- L. What brand of routing software is currently being utilized?

**Transfinder**

- M. Can we be provided with detailed routing data for all regular and special education routes to include time and mileage per route? a. How many monitors are required?

**We have one route with two pick-points on the west bank.  
We did not require any special needs (monitors) transportation this year.  
However, we anticipate change in the coming year(s).**

- N. Liquidated Damages – Can you advise the total liquidated damage charges that the current transportation provider has been charged during the 2017/18 school year to date?

**None, damages are meant to deter rather than penalize.**

- O. Will there be bus-loading zones to assist with traffic flow.

**We are currently working with the city to improve traffic flow by adding bus zones, golden triangles, etc.**
