# Enrichment Program Fall 2018 Johnson Campus

## Welcome to Enrichment Activities!

### SCHEDULE

**Enrichment Activities for Fall will meet for ten weeks beginning Monday, September 17th, through Friday, December 7th.** Prices are based accordingly, and also account for planned school holidays that lead to days without activities.

**Homework Centers will run all school year, September 17h through May 17th. No Homework Centers:** December 19/ 20, January 8th and 9th, 2019, February 27th, 2019, and during LEAP tests.

**Make up sessions will be held in December for weather related cancellations or instructor absences when a substitute is not available.** When rainy day carpool occurs, activities will begin immediately after carpool ends and conclude at their normal time. A make-up session will be offered if rainy day carpool ends at 4:30 PM or later. For homework centers, instructors are asked to find a substitute and make ups will not be scheduled.

### REGISTRATION DETAILS

**All registration (except for external providers\*) will occur online through the Camp Brain system at [lfno.campbrainregistration.com](http://lfno.campbrainregistration.com).** Parents without computer access should contact Mary-Devon Dupuy, the Enrichment Site Manager at Johnson for assistance at (504) 620-5500 ext. 1713, or [enrichment@lfno.org](mailto:enrichment@lfno.org)

**There will be two rounds of registration. The first round of registration will be open from Saturday, September 8 at 10:00AM to Tuesday, September 11 at 11:59PM.** The first round of registration will limit enrollment to one activity and one homework center per child. **The second round of registration will be open from Wednesday, September 12, at 6:30 PM to Thursday, September 13, at 11:59PM.** The second round will open any remaining space to families who wish to enroll students in additional activities or homework centers.

**Minimums and Maximums:** There is a registration minimum of six students to hold an activity and a maximum of ten – fifteen students depending on grade levels served and the subject. For homework centers, there is a registration minimum of three students and a maximum of seven.

#### **Note for Parents of THIRD GRADERS:**

While your child's class attends the Thinking Outside the Classroom Zoo program, you must arrange transportation to Johnson from the zoo in order for your child to attend Enrichment. We unfortunately cannot adjust prices if your child misses Enrichment during their Thinking Outside the Classroom experience. We will reach out before your child's month at the Zoo if you enroll your third grader in a Homework Center so we can ensure continued access during Thinking Outside the Classroom.

#### **FEES**

**All fees must be paid in full at sign-up** and are non-refundable once the class begins unless the class is cancelled by LFNO and not replaced. **Families with any LFNO outstanding balances in any department will not be able to register their students for Enrichment until the balance is paid** or they have set up a payment plan with the Business Office. Families that qualify for income-based discounts may request a payment plan for Enrichment fees through the Business Office.

**Note:** Any changes to registrations will be charged a \$10 admin fee.

**Free Lunch Discount\*:** children qualifying for FREE LUNCH receive an 80% discount on **one activity and one homework center**. **Reduced Lunch Discount\*:** children qualifying for REDUCED LUNCH receive a 50% discount on **one activity and one homework center**. To receive an

income-based discount, a Free and Reduced Lunch Form must have been received and processed by August 31, 2018. All forms are subject to audit by the State of Louisiana.

**After Care Discount\*:** Children signed up for unlimited After Care by August 31, 2018 receive a \$25 discount off one activity and a \$25 discount off of one homework center. To receive the aftercare discount, students must be signed up for the unlimited AfterCare plan during the months of September – November by August 31, 2018.

\* Discounts cannot be combined. Discount codes will be provided via email to enter during registration.

## EDUCATIONAL SUPPLEMENTS

### Bricks For Kidz LEGO Mindstorms EV3 Robotics- EN

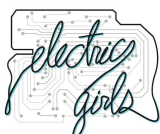

Experience the cutting edge of technology with the introduction of LEGO Mindstorms EV3 Robotics. Students will be captivated as they incorporate the newest generation of motors, sensors, and software by programming their commands directly into the intelligent brick. Test their capabilities by moving an object with a robotic claw, building a robot that draws, or creating a mouse trap. Combining the versatility of the LEGO building system with the most advanced technology LEGO has ever developed, unleash the creative powers of the new LEGO MINDSTORMS EV3 set to create and command robots that walk, talk, think and do anything you can imagine! The fee for ROBOTICS is \$248 for the 10 week session. REGISTER ONLINE at [www.bricks4kidz.com/neworleans](http://www.bricks4kidz.com/neworleans)

## Athletics Program 5<sup>th</sup>-8<sup>th</sup> Grade

**Athletics is managed separately from Enrichment. Please do not enroll your students in enrichment activities or homework centers that conflict with mandatory athletics practices.**

Please visit the Athletics page at <http://www.lfno.org/athletics/> for more information and contact Coach Ashley at [aaucoin@lfno.org](mailto:aaucoin@lfno.org) with questions.

### Rugby – EN

This will be a co-ed, non-contact version of the game played with flags/tags instead of tackles. A fun rugby curriculum consisting of interactive drills and games will develop skills to showcase in matches between students. Games against other teams will be held on Saturday mornings in City Park throughout the fall. All families are welcome! Our coaches will come from the local rugby community.

Louisiana Rugby, a 501(c)(3) organization, was formed in 2012 to help bring the sport of rugby to a wider population in Louisiana, specifically youth in New Orleans.

**Instructor:** TBA- Louisiana Rugby

**Grades:** 3 -5

**When:** Wednesdays 3:00-4:00 PM

### Soccer– EN/FR

GOOOOOOAL! Whether a new player or a seasoned player, all are welcome to learn and practice the basics of the world's most popular sport. Children will learn how to win and lose as a team, and listen to a coach's directions, all while learning the skills and rules of soccer.

**Instructor: Philippe Chavet**

**Grades: 3 -5**

**When: Mondays 4:00-5:00 PM**

## MOVEMENT

### Yoga – EN

Each week Yoga will have a new theme to explore through breathing exercises, chanting, lots of creative and fun movements such as flowing sequences, balancing and partner poses as well as relaxation techniques. Every class will begin with a seated exercise, move into standing poses and end with savasana, a quiet relaxation and meditation while lying down.

Yoga helps kids remain present in the moment, reduces stress, improves ability to focus, builds strength and flexibility, and helps them gain a deeper sense of body awareness and peace within themselves. Students will practice with a certified Next Generation Yoga Children's Yoga Teacher.

**Instructor: Maribeth del Castillo**

**Grades: 3-5**

**When: Wednesdays 3:00 – 4:00 PM**

### Capoeira - EN

Capoeira is an Afro-Brazilian martial arts that incorporates elements of dance, acrobatics, and music. Through training movements of capoeira, students will get stronger and see improvements in flexibility, agility, balance, and courage. Students of capoeira also learn to sing short songs in Portuguese and play some of the traditional hand-made instruments of Brazilian music. Kick, jump, run, spin, headstand, handstand and flip your way into the fun-filled world of Capoeira!

**Instructor: Ana Maria Gaviria**

**Grades: 3-5**

**When: Fridays 4:00pm-5:00pm**

## ARTS & CULTURE

### Performance!

Students will write and create their own performance piece (singing, dance, skits). They will learn voice projection, creative thought, and drama skills while building their self-esteem and practicing public speaking and performance.

**Instructor: Angie Leonino**

**Grades: 3 - 5**

**When: Thursdays 4:00 - 5:00 PM**

## Art Workshop

Students will be exploring arts and crafts using common materials in creative ways. Students will complete a variety of projects in different visual arts mediums, to be presented to parents at the end of the activity.

**Instructor: TBA- Sabine Chavet**

**Grades: 3 - 5**

**When: Thursdays 4:15 - 5:15 PM**

## Chess

LFNO's Chess enrichment activity is made possible by a partnership between Discovery Fest and the New Orleans Historic Collection. The Collection's Education Specialist Kendric Perkins will be teaching students about chess legend and New Orleans native Paul Morphy, as well as continuing to help advance LFNO's chess team from a competitive perspective in tournaments and competitions. Students will be engaging with historical documents related to Morphy, written in French as well as in English.

**Instructor: Kendric Perkins (Historic New Orleans Collection-DF\*)**
